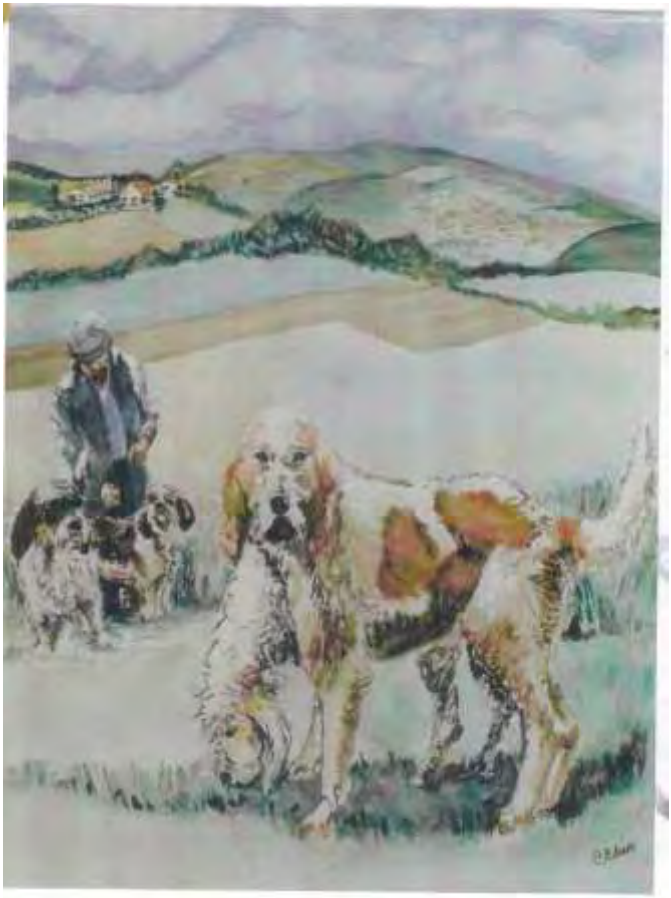
President's Message

Howdy, I am happy to welcome y'all to Texas for our annual regional/national specialty. Each year I look forward to attending this event, as it is wonderful to have so many PBGV lovers in one place. It is a great opportunity to reconnect with our friends and meet new ones.

We are a group of people with one common love of our happy hounds. Let's all have fun and enjoy sharing our love of the PBGV.

Thank you very much to the Show Chair, Lora Megli and her committee for working tirelessly to put this event together.

Susannah Cooper
President, PBGVCA



The PBGVCA dedicates this show
To the memories of the following people:
Donnie D Moore, Jim Scharnberg &
Mary Walsh

Donnie D. Moore

5/10/1938 - 3/14/2019

Donnie and his high school sweet heart, Donna, were married for 61 years. They enjoyed showing horses, goats and then of course dogs. For us, the love of their PBGVs was a blessing for us all. He was a big supporter for any club function and of the breed in general. He loved to hang out and chat with the husbands, cheer on the exhibitors, have a good beer and steak, and always had a pep talk for Janice the morning of the National without fail.

He was a man of strength and encouragement that can never be replaced. His hugs that were so embracing will be missed by all that loved him.

He is survived by his wife, sons, Randall Dean Moore and Nathan Moore, daughter Stacy Mohr; grandchildren, Sara Murray, Jonathon Moore, David Moore, Jaxson Moore, Alex Patterson, Ross Mohr, Alison Boleware, Grant Moore, and Trey Moore; along with 4 great-grandchildren.

Please everyone take time this weekend to tell Donna a great Donnie story so she can hear how much we all loved him, as we will be missing such a big part of our team this weekend. Thank you all for your kind words.

Janice & Eric

Jim Scharnberg

"Dear Skycastle Friends,

If you happen to have heard the mournful howls and wails of hounds last Sunday night, it was the Skycastle hounds realizing that their long-time master had gone away… gone away…

Jim Scharnberg passed away peacefully Sunday night, January 27th 2019 after spending a good portion of the day visiting with his son Eric, his daughter-in-law, and two granddaughters. Many of us were fortunate to also spend some time with Jim the previous Sunday at the annual Skycastle Hunt Breakfast. Jim's son and brother were at the breakfast too. Although he was in a wheelchair and slightly less mobile than his usually rambunctious self, Jim was in good spirits, laughing and joking with everyone at the breakfast, re-telling a number of oft-told stories. Nearly everyone was making plans to visit him at Barclays in the coming week, as no one seemed to expect the end to come so quickly. As Jim himself said, after valiantly out running the cancer for several years, it finally caught up.

It was Jim's fervent wish that Skycastle French Hounds keep hunting, and the Hunt Staff and Hunt Committee will honor his wish by doing just that. The Hunt is in good shape and sound condition thanks to Jim's work and preparation of contingencies during these last few months. Although the current fellow with the horn is still quite green and learning to handle the horn, the hard-working Hunt Staff and the loyal Hunt Field and the Skycastle hounds have all made up for any deficiencies and we've all been having a good time in the field, despite missing Jim terribly.

Gene Bolt"

Mary E. Walsh

5.25.33 – 8.17.18

Mary E. Walsh, was a long time member of the PBGVCA. Mary was involved with showing dogs for over 50 years. First with her beloved Beardies and next with her treasured PBGVs . Mary won the National two times, 1st in 1993 with CH. Chouan Xcept When I Laugh, "Laughie" went Best of Breed, she was bred by Gunnar Nymann and Holger Busk. In 1994, Laughie was Best of Oppostite and repeated the Best of Breed win for the second time in 1995. Mary told me the story several times she believed it should had been three times in a row. Mary also owned and loved Great Danes, Collies and Dachshunds during her showing lifetime.

I was introduced to Mary in February 2005 at the New Jersey Specialties prior to Westminster. Mary was very complimentary of "Friday". A big coincidence occurred in January 2009, Mary wanted a bitch from "Friday" and she named her "Faith", which was Mary's last PBGV.

Our friendship grew for nine years, Mary was my mentor for all those years, her knowledge of PBGVs was limitless. All of her stories would start as "long story short" but with Mary there was never a short story. There were some people that called her difficult, she was definitely set in her ways.

I will cherish my trips to New Jersey to stay with Mary to attend the NJ Specialties, Westminster and the shows in NJ in September. My daily calls to check on my dear friend I miss the most. "Long story short" is that there will never be another Mary E. Walsh.

Regards,

Karen S. Clugston

Carol Doerge

I am extremely honored to be judging the PBGVCA National in 2019. I began my tour of the world of conformation dog shows in 1972 after obtaining my first Standard Wirehaired Dachshund. I showed and bred my Dachshunds in the 70's and 80's until my career in the insurance industry interfered with my dog show fun.
In 2001 my sister, Julie Shannon, introduced me to the wonderful world of the PBGV. Their beard and eyebrows reminded me of my Dachshunds and I fell in love with them immediately.
I have successfully shown and bred many PB's to their championships. I am most proud of my matriarch bitch achieving her Register of Merit and my first male was awarded the Best Veteran at the Charlotte PBGVCA national by the esteemed breeder/judge Nick Frost. I will continue to breed and show this wonderful "happy rustic hound" and will do everything in my power to further the path of quality the previous PBGV owners and breeders have established.
Thank you again for this great honor.

.

Nicholas G Frost

My first dog was an English Springer Spaniel. My first show dog wan Afghan Hound and it was while working and showing for an Afghan kennel in Holland in the mid nineteen seventies that I saw my first PBGVs and later when I moved back to the UK I joined forces with the Jomil kennel who had imported the first PBGVs. Joan Wells Meacham had retired and I took over her breeding program as well as for the Varons of Evan Roberts who were kenneled alongside the Jomils. In 1979 I started my own line under the Dehra affix which is still breeding today and is behind many of today's kennels in the UK, Europe and America. Dehra has bred or owned almost 150 PBGV Champions world-wide with many accolades. Dehra also introduced the first Grands Bassets into the UK. Our kennel is quite catholic in its taste in dogs - as well specializing in short legged hounds with many champions in PBGVs, Bassets and Dachshunds we are proud of our Group and BIS winners in the Sporting, Toy and Terrier Groups as well! I judge the Hound Group, most of the Sporting Group and Cavaliers. Thank you for the opportunity to judge your babies - these are our future!

Katherine Howell

I started showing dogs in 2008 after wandering into the San Antonio Summer Classic Series of dog shows. I fell in love instantly and was told that I should pursue Junior Showmanship. I attended a ring manners class and practiced with a few different breeds, but none of them I fell in love with until I met the PBGV! I started working with Amazona Kennels owned by Helen Goldberg and was mentored by Lora Megli. Every Saturday from the time I was 10 until I graduated High School, I would clean kennels, feed dogs and of course practice with my PBGV. I showed in Juniors until I "aged out" at age 18. I also showed many different breeds including the PBGV in conformation and showed them through to their CH. I am now a Provisional Junior Showmanship judge. Juniors are the future of the sport and I am excited that I get to continue to encourage them to follow their passion.

I am currently a senior marketing major at Abilene Christian University. I have had to take a bit of a break from showing dogs during my busy college schedule. I am honored to judge Sweepstakes and Junior Showmanship at the 2019 Regional Specialty in my home state of Texas.

Linda Scanlon

Linda was raised in the English border country where her farther trained English Springer Spaniels for hunting.

Linda began in AKC conformation as a teenager with Australian Terriers. She bred/owned/handled the first triple titled Aussie (conformation, obedience, earth dog). Salukis entered her life in 1972 and from a small breeding program there have been multiple champions in the ring and field including specialty winners, dual champions, tracking and obedience titled dogs.

Linda was the first person to earn an AKC UD on a Saluki (2 individuals) earning multiple Will Judy/Dog World Awards in the US and Canada. One went on to win multiple all breed high in trials, hound groups and bests in field, always owner handled. They are the only Salukis to achieve the UD/Obedience Trial Champion status in Canada to date.

Linda currently judges BIS, Hound and Herding groups, all levels of obedience and rally, lure coursing and junior showmanship. She is the only AKC judge fully approved for this combination of events. She has judged multiple specialties including having been twice selected to judge conformation at the national Saluki specialty.

Linda's out of country assignments include Australia, Belgium, Canada, China, England, Germany, Finland, New Zealand and Sweden.
Linda's other passions include her husband of many years, her grown sons, international travel and opera.

Nancy D Simmons

Nancy has been active in both conformation and obedience over the years with her Great Danes, a Golden Retriever, and more recently Doberman Pinschers. Nancy was very proud of her Great Dane CH Simmons Garrett CDX CGC. Nancy competed with her Doberman Pinscher CH Lemils Simmons Seville UD ROM in the Obedience Top 20 at the DPCA National Specialty in 1997. Nancy's heart dog was CH Simmons Connoisseur WAC TT CGC, LC-12D, "Connor", who sired the Best of Opposite Sex winner at the Doberman Pinscher Club of America National in 2014.
Nancy applied for AKC approval in 1993 to judge Great Danes and Junior Showmanship. Currently, she is approved to judge the Working group, the Sporting group, the Herding group, the Toy group, the Non-Sporting group, and Bassets and Dachshunds in the Hound group. She also judges Junior Showmanship, Best in Show, Miscellaneous Breeds, and all levels of Obedience and Rally. It was an honor for her to judge the AKC National Obedience Invitational in Long Beach, CA, in December 2010. Nancy has judged the Top 20 at the 2009 and 2014 Great Dane Club of America National Specialties, the Top 20 at the American Rottweiler Club National Specialty in 2012, and the Akita Club of America Top 20 in 2015. Nancy has also judged the National Specialty for the American Brittany Club and all-breed shows in China. Nancy was honored to judge dogs at the Doberman Pinscher Club of America National in October 2016, and to judge bitches at the Great Dane Club of America National Specialty in 2018.
Nancy has always been active in her local Doberman Pinscher and Great Dane clubs, serving in many positions. She is active in an all-breed club and is president of the Dallas Fort Worth Judges Association. Since 2009, Nancy has been serving as treasurer of the Dog Judges Association of America.
She has a degree in Business Administration/Accounting and works full time with her husband Carl in their business as a general contractor doing commercial construction. Nancy and Carl have 2 children and four grandchildren that they are very proud of.
Nancy is honored to be invited to judge at the PBGV National.

Jo Quintenz

Jo has been breeding and exhibiting PBGVs since 2001. Her Kennel 'Sonora' previously bred or exhibited Beagles, Lhasa Apsos and occasionally Newfoundlands before that time. She has bred more than 20 champions of record and two have attained ROM status. In addition to confirmation she competes in nosework trials with Gallo, another home bred champion.

A retired teacher of science and teacher education she has a particular interest in monitoring and improving the genetic health of this breed and has devoted hundreds of hours maintaining the Club's pedigree database updating it with POAG test results and extending pedigrees as far as possible.

Since joining PBGVCA she has served on the Board of Directors for 10 years and was chair or assistant chair of the 2006, 2009, and 2015 national specialties. She also served on the committees that revised the Judge's Selection process as well as the most recent Constitution and By-laws approved by the membership. She is honored by the opportunity to judge sweepstakes at the 2019 national specialty in Kerrville, TX.

Diana Wilkins, MA, CPDT-KA, CNWI

Diana earned a Masters degree in Psychology from Texas Tech University and has studied animal behavior extensively. She has since gone on to earn credentials as a Certified Professional Dog Trainer (CPDT-KA) and Certified K9 Nose Work Instructor (CNWI). She is also a Certified Scent Work judge for the American Kennel Club (AKC) and United States Canine Scent Sports (USCSS). Diana has been working with and training dogs since 1998.

In 2009, Diana moved to San Antonio, Texas to open *In Harmony with Dogs*, offering private training, behavior consultation, as well as classes in puppy socialization, dog obedience, behavior modification and K9 Nose Work. She developed a K9 Nose Work® program at the Animal Defense League that successfully facilitated the adoption of many dogs.

Diana's passion lies in enhancing the lives of families and their companion dogs through a deeper understanding of dogs, modern training and dog sports.

Diana and her dogs have been actively involved in dog sports for many years. While her first dog Dani, a German Shepherd Dog, introduced her to the sport of dog agility, her Border Collie Kona took them to the next level.

Diana and Kona consistently ranked at the top of the sport of dog agility and are eight-time finalists at the Cynosport World Championships, boasting five top ten finals placements. Kenya, her younger Border Collie is a talented hunter, currently competing in the Elite class in K9 Nose Work®. Diana's energetic young Belgian Malinois is also excelling in the growing sport of K9 Nose Work®.
Diana truly enjoys the challenges of training at these levels and the enhanced understanding and teamwork that it facilitates.

A Brief History of the PBGV Club of America

by Jane Swanson

"Morebess Raymond le Rebelle" was the model for the club logo drawn by Vickie Kwasny. Raymond was from the first litter bred in Denmark by Per Knudsen in 1978. Declared the best show dog Knudsen had ever seen, Raymond won all over Europe, achieved many titles and Best in Shows and sparked demand for the breed in several countries.

Interest in the Petit Basset Griffon Vendéen in the United States was sparked in 1983 when George and Betty Barth entered Alexander, a 90-day-old PBGV puppy they had purchased in Canada less than a week earlier, in the New Jersey "Super Match" sponsored by the Professional Handler and Owner Handler Associations. Entered as a rare breed, Alex ended up winning Best Puppy in Match, and sparks from that one event turned into a wildfire of interest as Alex's photo and stories about the breed hit the national canine publications.
Kitty Steidel had seen Alex at the match and later saw some PBGVs owned by members of the Basset Hound Club in Denmark. After doing much breed research and speaking to several others who were equally intrigued by the PBGV, it was decided time was ripe to form a club for the breed in the United States.
On Nov. 19, 1984, just a shade more than a year after Alex won that match, 17 people from eight states and Canada — Jackie Balog, George and Betty Barth, Sue and Bill Barton, Barbara Cromley, Geraldine Cross, Marc Delanier, Pat Fellman, Barbara Galbraith, Heidi Martin, Louisa Myers, Mary Jo Shield, Anne Snelling, Kitty Steidel, Sally Sweatt and Barbara Wicklund — met during AKC's Centennial Celebration in Philadelphia with the intention of forming a national breed club for PBGVs.
With a stated mission to protect and promote this rough-coated French hound, the Petit Basset Griffon Vendéen Club of America was formed. Elected officers were Kitty Steidel, president; Barbara Cromley, 1st vice president; George Barth, 2nd vice president; Marc Delanier, secretary; and Bob Booth, treasurer. Bill Barton, Cross, Fellman, Galbraith, Miller and Wicklund were selected as board members. A letter was sent to AKC announcing the club's intention to seek recognition for the breed.
During its first year, membership increased from those initial few to 50, a standard was devised, a constitution and by-laws were adopted and a national registry and studbook were set up. Four months after that initial meeting, 15 PBGVs competed in the club's first match held in Kentucky on March 16, 1985. Breed interest continued to soar, especially after ABC television reporter Roger Caras bought a PBGV and took it on "Good Morning America."

By the time the PBGV was accepted to AKC's Miscellaneous Class on July 1, 1989, club membership had grown to 126 and an annual specialty show was being held. On Aug. 14, 1990, the AKC Board approved the PBGVCA's bid to register its dogs in the AKC Stud Book beginning Dec. 1, 1990. The breed became the 131st breed to be registered and the 24th member of AKC's Hound Group, and became eligible to compete for AKC points in February 1991. By then club membership had risen to nearly 200, a number that was almost doubled for the club's 25th Anniversary Celebration which was held in conjunction with its 2010 national specialty in St. Louis.

AKC PBGV STANDARD

GENERAL APPEARANCE

The Petit Basset Griffon Vendéen is a French scent hound developed first and foremost to hunt small game over the rough and difficult terrain of the Vendéen region. To function efficiently, he must be equipped with certain characteristics. He is bold and vivacious in character; compact, tough and robust in construction. He has an alert outlook, lively bearing and a good voice freely and purposefully used.

The most distinguishing characteristics of this bold hunter are: his rough, unrefined outlines; his proudly carried head displaying definitive long eyebrows, beard, and moustache; his strong, tapered tail carried like a saber, alert and in readiness. Important to breed type is the compact, casual, rather tousled appearance, with no feature exaggerated and his parts in balance.

Any deviation from the ideal described in the standard should be penalized to the extent of the deviation. Structural faults common to all breeds are as undesirable in the PBGV as in any other breed, regardless of whether they are specifically mentioned.

SIZE, PROPORTION, SUBSTANCE

Size – PBGVs measure between 13 and 15 inches at the withers. Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older.

Proportion - When viewed in profile, the body is somewhat longer than tall when measured from point of shoulder to buttocks, as compared to the height from withers to ground.

Substance - Strong bone with substance in proportion to overall dog.

Head – The head is carried proudly and, in size, must be in balance with the overall dog. It is longer than its width in a ratio of approximately two to one. A coarse or overly large head is to be penalized.

Expression - alert, friendly and intelligent.

Eyes - large and dark with good pigmentation, somewhat oval in shape, showing no white. The red of the lower eyelid should not show. The eyes are surmounted by long eyebrows, standing forward, but not obscuring the eyes.

Ears - supple, narrow and fine, covered with longhair, folding inward and ending in an oval shape. The leathers reach almost to the end of the nose. They are set on low, below the line of the eyes. An overly long or high-set ear should be penalized.

Skull - domed, oval in shape when viewed from the front. It is well cut away under the eyes and has a well-developed occipital protuberance. Stop clearly defined.

Muzzle – The length of the muzzle from nose to stop is slightly shorter than the length from the stop to occiput. The underjaw is strong and well-developed.

Nose - black and large, with wide nostrils. A somewhat lighter shading is acceptable in lighter colored dogs. A butterfly nose is a fault. Lips - The lips are covered by long hair forming a beard and moustache.

Bite - It is preferable that the teeth meet in a scissors bite, but a level bite is acceptable.

NECK, TOPLINE, BODY

Neck –The neck is long and strong, without throatiness, and flows smoothly into the shoulders.

Topline – The back is visibly level from withers to croup. There is a barely perceptible rise over a strong loin. Viewed in profile, the withers and the croup should be equidistant from the ground.
Body muscular, somewhat longer than tall. Compact, casual in appearance, with no feature exaggerated and his parts in balance. Chest rather deep, with prominent sternum. Ribs moderately rounded, extending well back. Loin short, strong, and muscular. There is but little tuck-up.
Tail - of medium length, set on high, it is strong at the base and tapers regularly. It is well furnished with hair, has but a slight curve and is carried proudly like the blade of a saber; normally pointing at about two o'clock. In a curved downward position the tip of the tail bone should reach no further than the hock joint.
FOREQUARTERS - Shoulders clean and well laid back. Upper arm approximately equal in length to the shoulder blade. Elbows close to the body.
Legs – The length of leg from elbow to ground should be slightly more than half the height from withers to ground. Viewed from the front, it is desirable that the forelegs be straight, but a slight crook is acceptable. In either case, the leg appears straight, is strong and well boned, but never coarse nor weedy. Improperly constructed front assemblies, including poor shoulder placement, short upper arms, out at elbows, lack of angulation and fiddle fronts, are all serious faults. Pasterns strong and slightly sloping. Any tendency to knuckle over is a serious fault. Dewclaws may, or may not, be removed.
Feet - not too long, between hare and cat foot, with hard, tight pads. The nails are strong and short.
HINDQUARTERS - Strong and muscular with good bend of stifle. A well-defined second thigh. Hips wide, thighs well-muscled. Hocks are short and well angulated, perpendicular from hock to ground. Feet are as in front. Except that they must point straight ahead.
COAT - The coat is rough, long without exaggeration and harsh to the touch, with a thick shorter undercoat. It is never silky or woolly. The eyes are surmounted by long eyebrows, standing forward but not obscuring the eyes. The ears are covered by long hair. The lips are covered by long hair forming a beard and moustache. The tail is well furnished with hair. The overall appearance is casual and tousled.
The rough, unrefined outline and tousled appearance of this rustic hunting hound is essential. Any sculpting, clipping, scissoring or shaping of the coat is contrary to PBGV breed type. The PBGV coat should be clean, neatened as necessary, but always remain casually disarrayed. Any deviation from the ideal described here and in the General Appearance Section of the official standard should be penalized to the extent of the deviation.
COLOR - White with any combination of lemon, orange, black, sable, tricolor or grizzle markings, providing easy visibility in the field.
GAIT - The movement should be free at all speeds. Front action is straight and reaching well forward. Going away, the hind legs are parallel and have great drive. Convergence of the front and rear legs towards his center of gravity is proportional to the speed of his movement. Gives the appearance of an active hound, capable of a full day's hunting.
TEMPERAMENT - Confident, happy, extroverted, independent yet willing to please, never timid nor aggressive.
DISQUALIFICATION - Height over 15 inches is a disqualification. Height under 13 inches is a disqualification at one year of age or older.

PBGVCA NATIONAL SPECILATY CLUB TROPHIES

For wins at the annual PBGVCA National Specialty; members in good standing only; with three wins (not necessarily with the same dog) trophies may be retired or replaced per club rules. Trophies are presented at the Annual Awards Banquet following the Specialty show. Once a trophy title is retired/reoffered "legs" on the award begin anew.

Please Note: Only PBGVCA members in good standing at the time of the Specialty are eligible to be awarded Club Trophies.

Nick Frost retired the Helen & Charlie Ingher BOB Trophy in 2001 and replaced the award with a large pewter plate on a walnut base. Gavin Robertson retired the Nick Frost, Dehra Kennels BOB Trophy in 2009 and re-donated the award as the Gavin and Sarah Robertson, Soletrader PBGV Trophy in 2010. Donna K. Moore retired the Gavin and Sarah Robertson BOB Trophy in 2013 as the Don & Donna Moore, M & M's PBGV Trophy, replaced the award with a 10" Silver Plate on a wooden base beginning in 2014. Jan Zigich and Ross Litman of Mirepoix PBGV retired that trophy in 2009 and replaced the award with an original stone art piece on a wooden base etched with the same Alexander likeness. Jan Zigich and Ross Litman of Mirepoix PBGV retired their trophy in 2015 and chose to replace the award, as the "Mirepoix Memorial Trophy Honoring "Reine" foundation bitch behind all Mirepoix winning pups. AKC CODE OF SPORTSMANSHIP

PREFACE: *The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.*

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.

The Petit Basset Griffon Vendéen Club of America in an effort to encourage its members to work with and train their PBGVs started the Triathlon at the 2016 National held in Indianapolis, Indiana. For the Triathlete Award a PBGV must enter three different disciplines and qualify in at least three of them. Qualifying scores can be earned during Regional or National events.
