

TALUS PUPPY DEPOSIT AGREEMENT

Hurray! Babies are here and thriving!!

This is a very exciting time at Talus and the gentle, quiet that comes with looking after newborns will soon turn to chaos and abundant silliness. Of course we will be loving every minute of it, and dreading that tearful day when our precious babies leave us to go out and make their big splash in the world.

That is where you come in! We have evaluated your application and feel confident that we will be able to provide you with a puppy to match your lifestyle and expectations. By the time your puppy is ready for pick up, he/she will have experienced all the sights and sounds that go on in a typical household. Now is the time to start puppy-proofing your home and preparing all the arrangements for your babies homecoming. Please call to discuss any questions that you may have regarding pre-puppy preparations.

Deposit: We have had several inquiries about these babies, so at this time we would like to request a deposit to hold a puppy for you. The purchase price of your puppy is \$2000.00 and we ask for a deposit of \$1,000.00 (\$500 of which would be refundable should you change your mind before pups go home). Deposits can be made via personal or cashier's check, the balance of \$1,000.00 due at time of pick-up in cash, cashier's check or money order. In the unlikely event that puppies become unavailable due to unforeseen circumstances, your full deposit will be refunded.

Check should be made out, and mailed to:

But which puppy shall be mine?

You have already provided us with information about you, your family, your home, and lifestyle. This information will be useful in determining the best prospects for you.

We breed our dogs first and foremost to create healthy, happy and physically correct PBGVs that conform to the standard for the breed. We compete with our dogs in conformation (dog shows) to validate our breeding protocol in order to determine which dogs will be considered for future breeding prospects. Because of this, puppies that we feel most closely meet the physical characteristics that we are striving for shall stay at Talus or other show home.

Most experts agree that the best age to evaluate puppies is at 8-weeks old. Around that time, a group of knowledgeable dog breeders will come together to evaluate each puppy and grade it on its merits. In addition to structure, the puppies will be evaluated for specific temperament traits. Armed with this useful information, intelligent decisions can then be made about which puppy will be best suited for particular homes and lifestyles.

I will be sending you updated pictures and observations as the puppies grow and develop. I invite you to provide feedback as to any preferences you may have regarding individual puppies. I do ask that you try and refrain from getting too attached to any one particular puppy, and I will try and give you the opportunity of selection. Trust that we will do everything in our power to ensure that you will be more than satisfied with your experience with Talus and with your new best friend.

Registration and Naming: Your puppy will be registered by the American Kennel Club (AKC). We will provide you with a Limited AKC Registration Application and Pedigree when you receive your puppy. You may select any name you would like to call your puppy. The registered name of your puppy will begin with Talus.

Pick Up Time: The estimated date for your puppy to be ready to go home will be on or around the weekend of April 5th, 2014. Please understand that other families may plan to pick their puppy up on the same day as you. As we get closer, we will schedule time especially for you. We feel it is important to address your questions and be able to offer guidance regarding the care of your new puppy without being rushed. We look forward to meeting with you!
